PRELIMINARY AMENDMENT

Assistant Commissioner for Patents Washington, D.C. 20231

Sir:

This is in response to the Final Office Action in the above-referenced application mailed June 4, 2002. A Request for Continued Examination application is filed herewith. Please amend the application as follows:

IN THE CLAIMS:

Please amend the claims as follows. All pending claims, whether or not amended are presented below for convenience.

1. (Amended) A wafer carrier for supporting a substrate, comprising:

a circular plate having a flat edge region extending around the circumference of said plate, said flat edge region having a width of approximately 5 to 25 mm; and

a circular recessed center region having a recessed bottom surface and including an upwardly inclined surface around the periphery of said recessed bottom surface,

wherein the substrate is supported by a portion of the upwardly inclined surface and is spaced apart from said recessed bottom surface, and the upwardly inclined surface is inclined at
